

SINOWAY Newsletter

July, 2025

☆ Sinoway news and Market information

1. Sinoway attended CPhI Shanghai, sharing the same designed booth E1D57 with 30+year partner-Fischer chemicals. There were many potential customers in West Asian countries, Korea, Japan, Europe, Russia, Middle East etc.

In this CPhI Shanghai and the mostly welcomed products from Sinoway include GLP-1 related API and key intermediates (Semaglutide, Tirzepatide, Retatrutide, etc.), Diosmin, veterinary drugs, etc.

2. Due to summer hot weather, many producers in China stopped producing temporarily to maintain the facility from July to Aug. such as , producers of vitamins and bulk APIs ,etc, which led to the short supply of some vitamins and APIs. The supply situation will recover normal in Sep.

3. Newly registered APIs in world market from China .

3.1 For EU market

The veterinary API Tulathromycin and human API azithromycin and clarithromycin produced by Guobang obtained EUGMP certificate

The steroid API Dexamethasone produced by SITO Bio subsidiary has obtained CEP certificate

The vitamin API Folic acid produced by Jiangxi obtained CEP certificate

Fosfomycin tromethamine API produced by Northeast Pharm. Obtained CEP certificate

Caffeine API produced by HEBEI GUANGXIANG obtained CEP certificate

3.2 For USA market

The veterinary Finish dosage form Cefovecin sodium sterile produced by Qilu passed FDA site audit.

If you are interested in More APIs with documentations, don't hesitate to contact with us for more detail market information
